c. A brief on types of Customer:

B2C Model: Our Company operates in the Jewellery industry, employing a Business-to-Consumer (B2C) retail model. The company's core business involves sourcing Jewellery from reputable suppliers and Jewellers.

These carefully curated Jewellery pieces are then made available directly to end consumers, who purchase them for personal use.

In addition to being a retailer, Our Company also undertakes Jewellery manufacturing and design services on a need basis. This allows customers to have bespoke pieces created according to their preferences and requirements.

We primarily cater to individual customers, referred to as end consumers, who seek to acquire Jewellery items for personal adornment and self-expression. These customers are distinct from resellers or distributors who purchase Jewellery for the purpose of further distribution or resale.

D P Abhushan Limited operates through its own network of retail stores where customers can physically explore and select Jewellery.

B2B Model: Under B2B Model D P Abhushan Limited caters to Corporate Client by Issuing Gift Cards or Coins as per the Requirement of the Client. D P Abhushan Limited also serves to the businesses engaged in Same Industry.

24. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format:

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Energy Management	Opportunity	The retail sector of the Jewellery industry presents an opportunity for energy management. Retail stores necessitate energy for their functioning, including lighting, heating, cooling systems, and electronic devices like computers and cash registers. By employing energy management, retail stores can effectively curtail their energy consumption and associated expenses.	-	Positive - By effectively managing energy, retail stores can decrease their energy bills and operational expenses, leading to an enhancement in their profitability.
2	Customer privacy and data security	Risk & Opportunity	Risk Our Company faces a substantial peril regarding customer confidentiality since any unauthorized access or security breach to critical information can result in severe outcomes, such as financial losses, identity theft, and a loss of customer confidence. Such an eventuality can eventually cause harm to the company's reputation. Opportunity The Company recognizes data security as a chance to safeguard their valuable trade secrets that encompass their designs, manufacturing processes, and supply chain. By integrating appropriate data security measures, it will mitigate the possibility of cyber-attacks, ultimately safeguarding their reputation and assets.	Our Company has implemented robust measures to mitigate risks by upholding stringent data privacy policies, restricting access, utilizing password protection, employing firewalls. Moreover, the company has set up dedicated server rooms to prevent any potential data leaks, and they consistently update and evaluate their IT security protocols to align with industry standards.	Negative If it fails to adequately protect the privacy of its customers, it will result in legal penalties and fines. Positive The implementation of advanced cyber security solutions has reduced cyber security risks for both the company and its customers.

3	Access and Affordability	Risk	In the Jewellery industry, it is crucial for companies to find a delicate equilibrium between providing affordable options and upholding the perceived value of their products and services. Additionally, they must consider the enduring consequences of their pricing strategy and refrain from engaging in a race to the bottom.	Our Company has implemented measures to minimize potential risks by expanding their reach through the establishment of new physical stores, capitalizing on economies of scale, and adopting a strategic approach to material procurement to curtail costs and provide affordable options for their customers. Moreover, they take a customer centric approach to pricing and product offerings, with the aim of enhancing their competitiveness and minimizing potential hazards.	Negative - There is a potential risk of impacting sales as the balance between affordability and maintaining profit margins.
4	Product Quality & safety	Opportunity	In the Jewellery industry, a company's brand reputation hinges on the quality and safety of its products. To uphold their brand reputation, Our Company takes measures to ensure that their products meet high standards of quality and safety. This, in turn, fosters customer loyalty and helps to build a positive brand image.	-	Positive - By ensuring product quality and safety, Our Company can generate higher sales and revenue, decrease costs, and unlock opportunities for market expansion.
5	Selling practices and\ product labelling	Opportunity	Our Company is enhancing its credibility and foster consumer trust by implementing fair trade practices and providing comprehensive product labelling. These ethical selling practices have the potential to increase sales for the company. Additionally, Our Company ensures compliance with Hallmarking Unique ID (HUID) for its Jewellery products.	-	Positive - Implementing these measures has the potential to drive up consumer demand for our Company's products and enhance their brand reputation
6	Employee Engagement, Diversity	Opportunity	Engaging employees has led to increased productivity, innovation, and commitment to our Company's success. An inclusive work culture can also attract and retain top talent from diverse backgrounds, providing a competitive advantage for our Company. Measures such as feedback, recognition programs, and fostering a sense of belonging	-	Positive - The expenses related to acquiring and fostering human resources may be reduced

			can enhance engagement. Diverse hiring practices can further foster diversity in the workforce.		
7	Supply Chain management	Risk & opportunity	<p>Risk- Supply chain management can pose risks to our Company due to potential disruptions and ethical sourcing challenges, leading to delays in delivery, loss of sales, and reputation damage.</p> <p>Opportunity- Our Company will benefit from an optimized supply chain, reducing costs and accessing new ideas and technologies through collaboration with suppliers. An efficient supply chain will enable quick responses to changes in demand or market conditions, leading to increased profitability.</p>	To mitigate supply chain risks, our Company carefully selects ethical suppliers with a proven track record. Our Company maintains regular communication with its suppliers to ensure that they meet quality, pricing, lead time, and social responsibility standards.	<p>Negative- Supply chain disruption will result in higher production costs for the product.</p> <p>Positive - Reduction in costs, improving efficiency, and enhancing customer satisfaction.</p>
8	Business Ethics	Opportunity	By prioritizing business ethics, our Company shall build trust, attract new customers, enhance its brand image, and increase its credibility with customers and stakeholders. Ethical practices shall have a positive impact on employee engagement.	-	<p>Positive - Increased customer loyalty translates into higher sales, improved customer retention, and ultimately, better financial performance.</p>
9	Competitive Behaviour	Risk & opportunity	<p>Risk- Competitor Behaviour can be a risk to the company through aggressive competition resulting in price wars that impact profitability, loss of market shares if they fail to match innovation, and harm to reputation.</p> <p>Opportunity - Competitive Behaviour aids monitoring market trends and identifying gaps, leading to product, and marketing campaign designs. This helps attract new and retain existing customer's</p>	To reduce risk, our Company is focusing on excelling in rural markets and introducing new and unique products to gain a competitive advantage. The company is prioritizing the improvement of customer service through both online and offline channels and maintaining a strong brand image to increase its market share.	<p>Negative- It may lead to legal actions and fines that may result in higher legal costs and decrease in sales.</p> <p>Positive- Healthy competition may lead to increase in sales and its profitability. companies may invest in research and development, leading to new products or services that can increase revenue.</p>
