ABOUT THE PLAN

D.P. Jewellers Saving Plan is a plan offered by D. P. Abhushan Limited (DPAL), to facilitate customers to accumulate Gold every month over a term of 10 months period and make Purchase of Gold & Diamond Jewellery with benefits of Discount on Making Charges, not in any case exceeding 330 days and subject to the terms and conditions that form part of the Application Form.

The customer must choose only one category for their redemption purchase either Gold Jewellery or Diamond Jewellery.

DEFINITION

CUSTOMER – The Scheme Holder or Nominee

PRIORITY BENEFITS – Discount on making charges as per given table manner.

AVERAGE GOLD RATE – Average gold rate is the average of paid installment accumulated gold price as per prevailing gold rate.

The significant benefits of the Plan for the Customers are as follow:

BENEFIT 1: AVERAGE GOLD PRICE

Customers shall benefit from the accumulated gold with average gold price over the period of 10 months (300 days) of the plan.

BENEFIT 2: DISCOUNT ON MAKING CHARGES

On the expiry of 300 Days and Payment of 10 installments, the customer shall be eligible to receive a "40% discount" on making charges, where the making charges on the jewellery are equal to or less than 18% and if the Making Charges exceeds 18% then the flat "7% Discount" on Making Charges shall be applicable.

On Diamond Products the customer shall be eligible to receive a "50% discount" on the making charges only upon completion of the 10th installment after 300 days.

ILLUSTRATION: If a customer purchases jewellery and the Making Charges applicable on such a jewellery is 22% (exceeds 18%) then the customer shall be eligible for a flat 7% Discount making and shall be liable to pay only 15% as Making Charge on such jewellery. However, the customer will need to pay the current prevailing gold rate for the additional gold and making charges on additional weight needed to complete the jewellery.

AVERAGE GOLD PRICE CALCULATION:

The customer will benefit from the average price of gold over the 10 months (300 days). Gold Rate and weight fixed on date of installment paid.

MONTHLY GOLD ACCUMULATION:

Each month, the customer deposits Rs.20,000. Based on the prevailing gold price (for 22K gold), the amount of gold purchased each month is calculated by dividing the deposit by the gold rate.

JEWELLERY PURCHASE AFTER 10 MONTHS:

After 10 months (300 days), the customer is eligible to purchase jewellery using the accumulated grams of gold as per given table example.

Let's assume the customer chooses to buy a 20-gram jewellery piece. Since the customer has 16.876 grams of accumulated gold as per given table example, the customer will need to purchase an additional 3.124 grams of gold at the prevailing market rate to make up the 20 grams.
