OVERVIEW OF JEWELLERY SECTOR IN INDIA

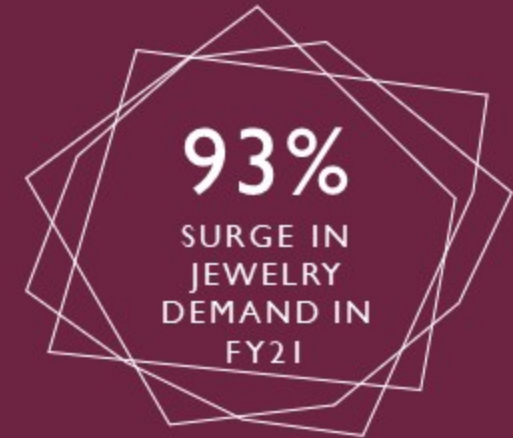

VITAL ROLE IN INDIAN ECONOMY

India is considered a global hub for low costs and inexpensive skilled labour. Government policies support the polishing and gem cutting industry, making it the world's largest.

SUPPORTIVE GOVERNMENT

Experts have predicted that the industry will soon shine like a star and will sparkle like a precious diamond in the near future.

SURGE IN DEMAND

Gold Jewellery demand in India grew 93% to a six year high of 611 tonnes in 2021 from 316 tonnes in 2020.

As increase in No of Weddings, higher savings boosted the sales volume, many retailers reported record sales volume in previous year.

OUR CUSTOMER POLICY/PRINCIPLE

“ It takes 20 years to build a reputation and 5 minutes to ruin it. If you think about that, you will do things differently”

-Warren Buffet

D.P. Abhushan’s management works on the same principle of Warren Buffet, each generation has to carry the legacy for and the reputation the fore fathers have build towards the Customers. Therefore we stand strong leader in Footfall to Conversion Ratio.

“DP Abhushan Inventory Turnover ratio is best among its peers.”

“Also the Company effectively uses its assets to produce sales, and therefore our Asset turnover ratio is also the highest when compared to peers.”

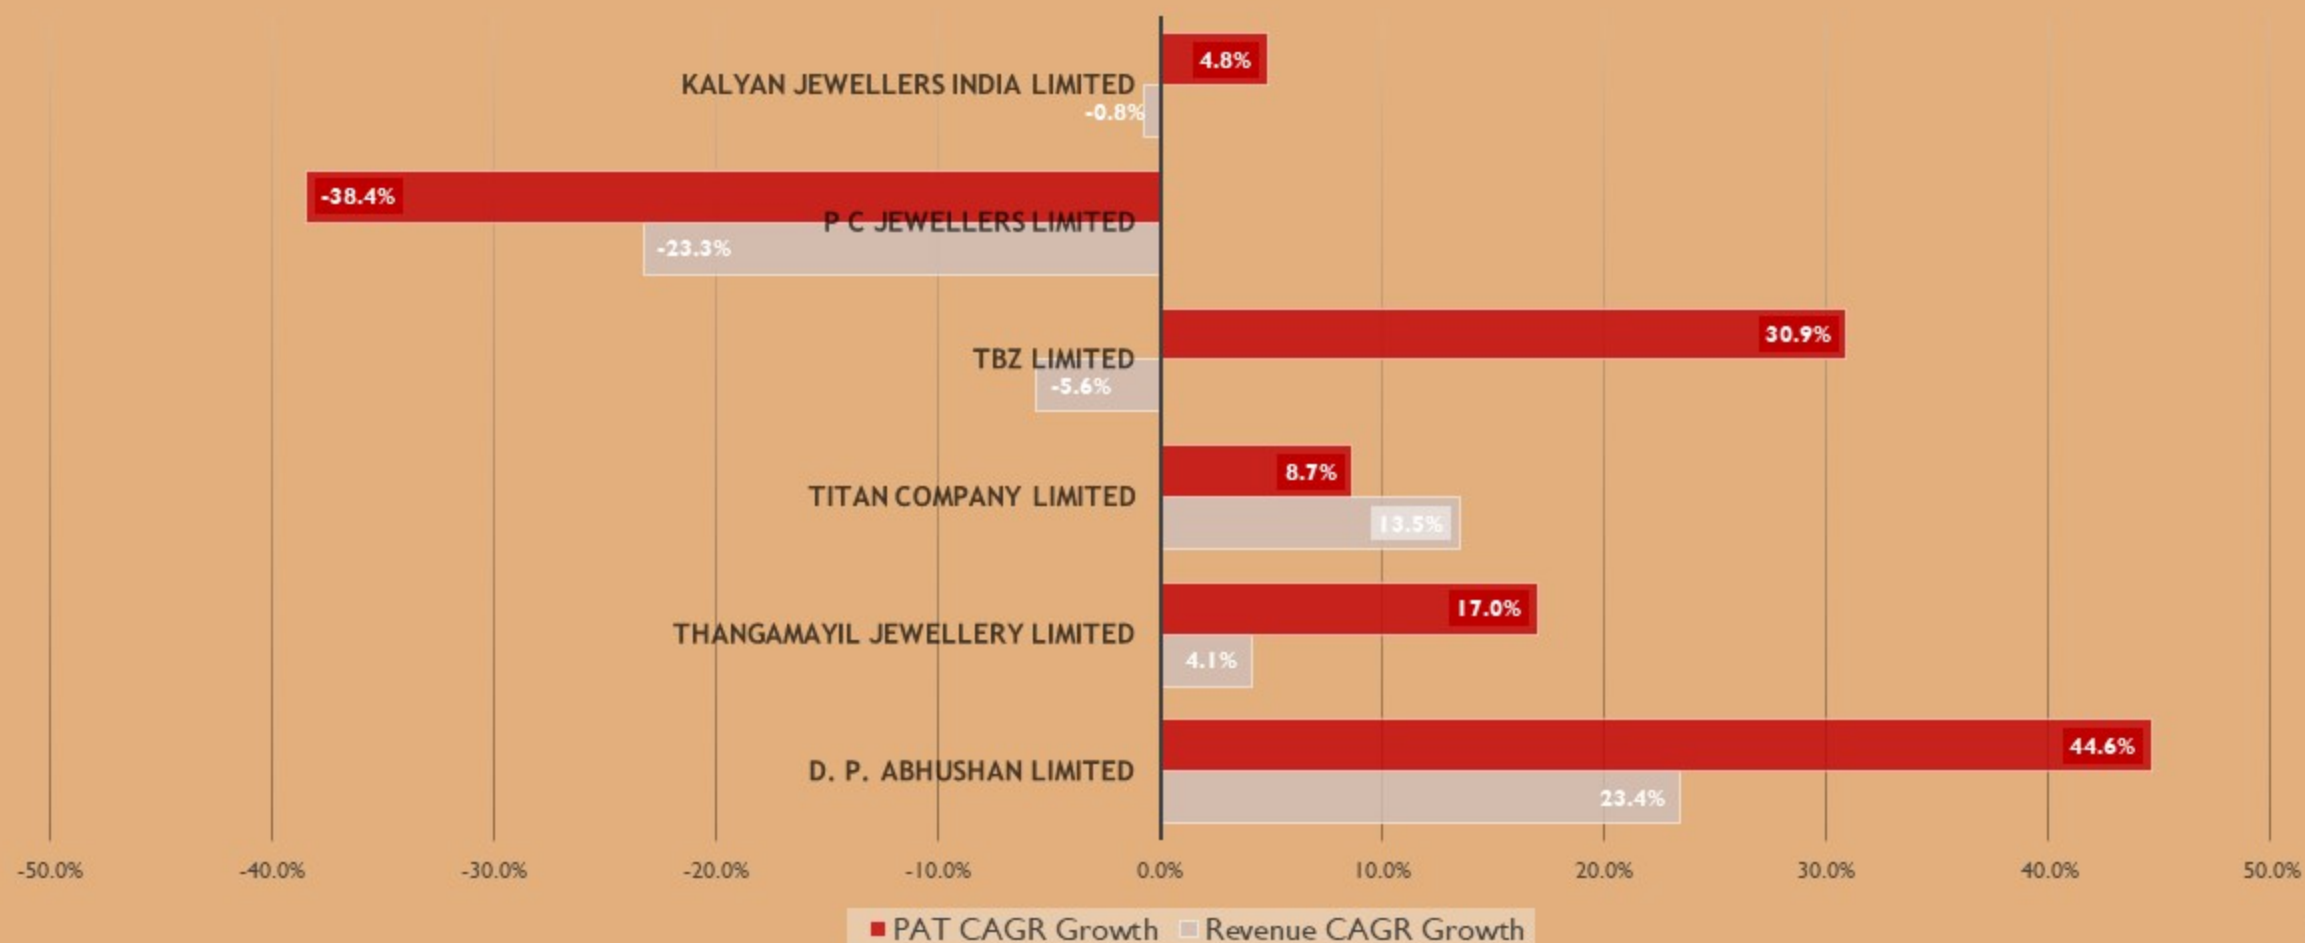

“Jewellery Sector being a Capital Intensive Sector, ROE is important ratio. The Company’s Profitability in terms of all its capital is very good and hence company is making optimum utilization of its capital.”

“The Management of the company is taking adequate steps on consistent base to improve and maximize the overall Margins”

PEER ANALYSIS

PAT & Revenue Growth Comparison with Peers from F.Y. 2016-17 to 2021-22 (Till Dec-2021)

GROWTH PROSPECTS

- The Company expects to achieve a same-store sales growth of around 22% for the upcoming years on the basis of past performance and future growth. Company plans to open 2 showrooms with a potential of 200 crs topline every year; with a 50% utilization in 1st year and 100% utilization in next year onwards
- Stores would be opened from internal accrual and gold obtained under the various Schemes as well as external debt when required. The Company envisages an outlay of around 25-30 crs per store for CAPEX and inventory
- The Company plans to deepen its roots in Central India by entering into the states of Chhattisgarh and Gujarat and expanding its feet in M.P. and Rajasthan that would drive economies of scale
- The Company's stores enjoy faster breakeven of around 4-6 months; because of faster inventory turns of the Company and low CAPEX, as well as low marketing cost
- Being our offices & showrooms located in tier 2 & 3 cities, our staff cost is low, and optimum utilization of resources is done, Company plans to run on same model in future

JEWELLERY Demand

- The Ukraine invasion and surging inflation were key factors driving both the gold price and demand
- Surge in Demand in Indian Market, is possible due to change in COVID Scenario and increase spending in Marriage
- As per the recent research report published by ICRA, the revenues of organized Jewellery retailers are likely to grow at a pace of 14% backed by aggressive store expansion plan and gradual shift from unorganized segment to organized segment
- We expect a good demand in Q1 of FY 2022-23, we have also closed the highest ever Akshay Tritiya Sales of all stores combined, as compared to previous years

GOLD Prices

- Range Bound Gold prices over last one year present a good opportunity to allocate fund towards Gold
- In the event of US Dollar Depreciation and fight against inflation in short term , Gold can viewed a good hedge.
- We expect the Gold prices to be stable in 1st Quarter of FY 2022-23
- Stability in gold prices will attract the customers and

BUSINESS AMBITION

VISION STATEMENT

“To be a Market Leader in Gems & Jewellery Sector in Tier 2 & Tier 3 Cities of Central India”

“To become Central India’s most LOVED & TRUSTED Jewellery brand”

MISION STATEMENT

“To Create wealth for all the stakeholders by building a business based on honest and transparent approach towards the customers, and contributing to the society at large.”

MOAT: WHAT MAKES D.P. ABHUSHAN DIFFERENT

NATURAL HEDGING

The Company has got natural benefits of Hedging because it follows a weighted average cost method i.e. buy-equivalent quantity of goods sold at the day of the sale itself. The Company is following this method since inception so its cost of inventory is remains lower than the current market price ~

GOLDEN LOCKER SCHEME

The Company has implemented a old gold locker scheme policy where it replaces customers old inventory with new inventory after 11 months without or with concessional making charges which is a unique proposition across Central India.

FOCUSED REGION

The Company is more focused on gold jewellery as the Central Indian market is more inclined to gold-Jewellery, also the marriage budgets in Central India are higher compared to other parts of India.

LOWER OPERATING COST

The Company operates in tier 2 & tier 3 cities hence its making and operating expenses are lower. Also the logistics movement of Inventory is easy and economical among these cities.

QUALITY

- Dealing with 100% transparency, unchallenged purity and rates which makes DP Abhushan customers 1st choice in our areas.
- Integrity of management is of absolute importance and this cannot be compromised. Thus the Management is working tirelessly to stand up to the expectations of millions of Customers.

EXPANSION

- DP Abhushan is fast expanding company & holds the leverage to grow more in coming years
- The Management is planning to expand the footsteps of DP in Gujarat, Chattisgarh and other Parts of MP & Rajasthan.

OUR GROWTH PILLARS

SUSTAINABILITY

- DP holds its history from the last 82 years and team of young and dynamic entrepreneurs makes the company to forecast its brighter future for at least next 50 years
- The strengths of Company and the ever-growing opportunities coming our way will contribute towards the sustainability of the company

HIGH CUSTOMER SATISFACTION

- DP has built the family of 25 lacs+ satisfied customers over a period of time
- The tradition of wearing DP Jewellery is running from generations to generations which is making our DP family more big and strong

STRENGTH

S

- High brand recall being in existence for more than 80 years
- The Company is following BIS criteria since the inception of DP

O

- Plans to enter into Chhattisgarh and Gujarat and to expand in existing States by opening 2-3 Stores every year
- Shifting of Jewellery Business from unorganized to organized Sector with an implementation of mandatory hallmarking

OPPORTUNITY

WEAKNESS

W

- Any regulatory change in government policy that can affect the business

T

- The Company doesn't see any potential threat that exists, as it is very good at its craft, however, increased competition from other players can cause a threat

THREATS

All our stores have highly trained staff which ensures that every customer leaves our showroom completely satisfied. D.P. Abhushan is giving a promise to the customers for a transparent business practice & value for money destination. Over the decades, DP Abhushan has been serving its customers with highest purity and reasonable pricing. We believe that this policy will help us go a long way in the accomplishment of our vision, to open more stores and serve millions of customers across India.
